

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

FEBRUARY 27, 2007

Last week, the Board instructed the Probation Department and the Chief Administrative Office to, among other things, identify and cost out capital improvements at the camps. The Chief Probation Officer expressed the need for additional real estate which is not available at or near some of our camps. However, other suitable alternatives may be available and should be explored, such as Barley Flats near the Angeles Crest Highway and the Angeles National Forest.

I, THEREFORE, MOVE that the Board of Supervisors direct the Probation Department and the Chief Administrative Office to include a review of other suitable alternatives, such as Barley Flats, in their report back to the Board regarding capital improvements at the Probation camps.
